ORDER OF THE HEALTH OFFICER OF THE COUNTY OF CONTRA COSTA
RESCINDING ANY AND ALL ACTIVE ORDERS PERTAINING TO COVID-19

ORDER NO. HO-COVID19-69

DATE OF ORDER: OCTOBER 21, 2022

Summary of the Order

Commencing on March 14, 2020, with the issuance of Order No. HO-COVID19-01, the Health Officer of Contra Costa County has issued 69 orders regarding the Coronavirus 2019 (COVID-19) pandemic. These orders (including one unnumbered order) will be referred to as the “COVID-19 Orders.” Among the COVID-19 Orders were orders that restricted the activities of individuals, compelled business owners and others to shut down or limit their operations, required the wearing of face coverings, and mandated the testing or vaccination of workers in specified settings. Based on current trends and the availability of vaccinations and treatments, it is no longer necessary to have any active Health Officer orders pertaining to COVID-19, and it is the intent of the Health Officer that any and all COVID-19 Orders that (1) prohibited or otherwise restricted the activities of any person in Contra Costa County, either directly or indirectly, or (2) imposed any affirmative obligations on any person in the County, and (3) are or may be interpreted to be operative (collectively, the “Active Orders”), be rescinded. This Order rescinds any and all Active Orders, effective immediately. This Order does not affect any of the COVID-19 Orders that were issued for the sole purpose of rescinding previous orders.

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040 AND 120175, THE HEALTH OFFICER OF THE COUNTY OF CONTRA COSTA (“HEALTH OFFICER”) ORDERS:

1. Rescission of Active Orders. Any and all Active Orders are hereby rescinded.

2. Effective Date and Time. This Order takes effect immediately upon issuance.
