- Muscle or body aches
- Vomiting or diarrhea
- New loss of taste or smell

Testing Line - 1-833-829-2626 | Advice Nurse - 1-877-661-6230

Seek medical care immediately if someone has emergency warning signs of COVID-19.

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face

If you think you have a medical or psychiatric emergency, call 9-1-1 or go to the nearest hospital.

If you or a family member is not feeling well, but you're not sure if there is a need to see a doctor in person, you can contact our Advice Nurse 24 hours a day, 7 days a week, including holidays. The advice nurse will help you decide if you need emergency or urgent medical care.
